SQUAD SPOTLIGHT

**CREEDS VOLUNTEER FIRE
AND RESCUE DEPT.**

When was your squad founded and do you have a brief history of your squad? The Creeds Volunteer Rescue Squad began as a Fire Department before adding the volunteer rescue squad in August of 1950.

What area is your squad's first due? The Creeds Volunteer Rescue Squad is located in the southern area of the City and covers to the North Carolina line to the 100 block of Princess Anne Road.

What event does your squad attend or host that you're most proud of? In years past, Creeds held an annual BBQ during the first Sunday in October. This event began when a farmer would donate a pig to the station and members had to stay up all night before the BBQ to cook it before serving it to the public the next day. The event ended in 2017 due to the lack of membership. Creeds is hoping to start it back up when the squad has more members as the event requires more work than our present membership can handle.

What is a fun fact about your squad? Creeds was the largest volunteer rescue squad in Virginia Beach in the early 1980s and is now one of the smallest volunteer rescue squads in Virginia Beach. Creeds had many family members join the rescue squad after growing up at the squad.

COMMUNITY APPRECIATION

Testimonials and letters from grateful neighbors

You folks are so professional. You made a very negative physical experience very positive. Your driver would inform his riders when he was turning and which direction he was going to provide them with bracing information.

You folks are the best!
